```
graph TD; A[Acquiring ortho rectified images of golf course.] --> B[Spatially Enable Images. (Includes recording waypoints of course and course information such as par)]; B --> C[Store course in central database.]
```

The flowchart illustrates a three-step process for image processing. It begins with a box labeled "Acquiring ortho rectified images of golf course." An arrow points to a second box labeled "Spatially Enable Images. (Includes recording waypoints of course and course information such as par)". A second arrow points from this box to a final box labeled "Store course in central database."
